

Sherman Oct 9th, Tournament Report

Well that's it; another year is in the books. We had a great turnout for the final tournament of the year pulling in 58 teams. It was great to see many new faces as well as some seasoned tournament anglers that we haven't seen for a while. Speaking of, how about the 1st place finish of Kallhoff / Kallhoff. The duo returned to the tournament fishing scene with a bang besting the field of 58 teams by almost 6lbs. They landed 2 big fish, the biggest for them and the tournament was an 8.73lb brute. The Kallhoffs positioned themselves off the main lake point on trail 8 and spent the day jigging minnows and slabbing to pull in their 4 fish. Congratulations on an outstanding day and we look forward to seeing you next year. The 2nd place team of Verba / Verba also managed to catch one of the elusive rock monsters and theirs weighed in at 8.09lbs. They paired that with 3 other fish giving them a total weight of 12.77lbs. The Verba team pulled crank baits in front of the cabins north of Thunder Island in depths of 12-20ft to catch their fish. Our 3rd place finisher Kunze / Belgium weighed 4 fish for 7.23lbs. The pair fished crank baits on the east side of the lake most of the day between trail 8 and the north side of the cabins. Congratulations to all the placing teams in the tournament.

The tournament director's would like to say thank you to everyone that attended. We really appreciate the support and look forward to a great 2017. It was the first tournament we had the opportunity to put on and what a way to start. We hope it was a good experience for all anglers and we will work hard in the off season to build the NWA into the circuit we envision it to be. We'd also like to thank our sponsors that make the tournaments happen. This was the 1st tournament on our 2017 schedule and as we continue to build our 2017 sponsor portfolio we want to be sure to acknowledge those that have already come on board for 2017. Special thanks to Cabela's, Woerth Construction, The Boat Dock, Allens Sporting Goods, Walleye Nation creations LLC, and Pump n Pantry. If you would like to support the NWA tournaments by sponsorship please contact Bill McGannon 402-270-2430 or Jasson Hettler 308-380-1407.
