

Tournament Director Announcement

My how time flies. Two years have come and gone and Jason and myself (Bill) hope that you have enjoyed the events and seen the growth we hope we provided to the NWA. There were many accomplishments over that span including a new state of the art scale, new tournament trailer, and a bolstering of sponsors., but none of them are better than the friendships we gathered along the way.

It is now time for us to hand it off to the next man up and we would like to thank Nate Stender for volunteering to take over the NWA tournament director role.

We truly appreciate the support we have received throughout our time in the role and hope that all the anglers enjoyed the events. We worked hard to make the NWA events run smoothly and for the anglers to have an enjoyable experience. We look forward to running into everyone in the future and will hopefully still see you at some of the tournament events in the future.

For the last time, your tournament directors,

Bill McGannon and Jason Hettler
