This is a special clinic for special youth and young adults that need a smaller and more hands on experience at fishing. The Nebraska Walleye Association Kids Fishing Charity puts these clinics on all over the state of Nebraska. We've made this clinic smaller in size to give special youth and young adults a chance to try out fishing. No rods or reels are needed. We will provide a short lunch, instructional training (about 1 hour), fishing gear, bait and assistance with fishing. All that you need are your children and a lawn chair. Brothers and sisters are welcome but please sign them up at the same time. We will begin checking everyone in starting at 12:30 PM at the picnic shelter at Skyline Ranches Park.

**All participants get a certificate of completion, rod & reel, and tackle box.**

There will be hot dogs, chips and drinks before starting the clinic. The NWA will teach casting, knot tying, bait, tackle, & fish ID. Then everyone gets to try their hand at fishing!
