GoFishKids! Pfizer Clinic
Pfizer Lake - Lincoln, NE

Pfizer Lincoln had their kids fishing clinic June 5th at the Pfizer Lake with 55 kids in attendance. It was a nice evening and everyone had a good time. The kids signed in, enjoyed hot dogs, chips and beverages before beginning the clinic.

We had stations including casting, knot tying, bait, tackle, fish ID and water safety. After completing all the stations, each child received a certificate, rod/reel combo and bag of goodies. The rod/reel were compliments of Nebraska Walleye Association Kids Fishing Clinics. The bag of goodies was from the Nebraska Game and Parks. The hot dogs were donated by Russ's Market, 66th & O and chips, buns, pop, water were provided by Christ Lutheran School. The bait sampler was donated by Emerald Mini Mart. Thanks to everyone.

The kids were given bait and off to fish and there were a lot of bluegill and bass caught.

We have a lot of volunteers to thank –
