

TED NUGENT KAMP FOR KIDS

A wet Saturday was in store for the 105 participants of the June 8th, 2013 Ted Nugent Kamp For Kids held at Walnut Creek Lake in Papillion. But that wasn't the only surprise as Ted and his wife Shemane flew into Omaha and joined the soggy kids for an afternoon that they will never forget. Ted sang songs, spoke to the youth, signed autographs, and toured the camp. Shemane also spoke to the youth. This was the 16th year that Nebraska has hosted a camp and the 25th anniversary of their founding by Ted Nugent. This was the 4th year that the NWA has assisted at the camp by hosting the fishing instruction. There were six one hour sessions broken into a quick 15 minute instruction and then 45 minutes of fishing. Awards were given to each group for largest and smallest fish caught. Also a most fish caught award (5) was presented at the end of the event. A ½ price Nebraska Youth Hunt/Fish permit was given to a lucky 13 year old, by the NWA Kids Charity. The Nebraska Chapter of the Ted Nugent Kamp For Kids paid for the ½ price, so this was a totally free permit. All of the campers received several gifts including a rod & reel, courtesy of the Ted Nugent Kamp.

Rich Losee and Rich McShane were the instructors for the camp.
