

Nebraska Walleye Association

YORK FISHING IS FUN! CLINIC

York had their kids fishing clinic February 20th at the York Armory with 20 kids in attendance. It was held in conjunction with the York Animal Rescue Fundraiser. We had stations including casting, knot tying, and tackle. After completing all the stations, each child received a bag of goodies. The bag of goodies was from the Nebraska Game and Parks.

I would like to thank Ben Garver, Carroll Crist and Ray Clayton for volunteering their time to help me out.
