

## **Nebraska Walleye Association**

Kids Fishing Clinics Charity, Inc.

June 7<sup>th</sup> was the Humboldt Raymond Badberg Memorial Fishing is Fun! Clinic at the Humboldt City Lake. The rainy and humid weather was there to greet everyone but we had 42 kids plus parents and volunteers there to help us. We started the day off with Betty Clayton checking everyone in at 11:30am. Everyone enjoyed hot dogs, chips, pop and water. I would like to thank Dee Badberg and family for providing the chips, buns, condiments and beverages. Farmland Industries donated the hot dogs. Thanks to Ray Clayton for cooking the hot dogs. Everyone went thru 5 stations including casting, knot tying, bait, water safety, tackle and fish ID. After everyone completed all the stations they were given certificates, a rod/reel and a hand out bag from the Nebraska Game and Parks. The rod/reel combos were provided by the Nebraska Walleye Association Kids Fishing Clinics Charity, Inc. Everyone got bait and headed to try their luck at fishing.

Thanks to the Raymond Badberg family for helping set up. It was greatly appreciated  
Want to thank the following for manning the stations:

Rick Lehn -Bait Station  
Ray Clayton & Troy Badberg-Casting station  
Jerry Edmunds -Tackle & Fish ID  
KC McBurney –Knot Tying  
Jeanette Milius –Water Safety  
Ray Clayton – Time Keeper and getting handouts ready

After the clinic the Lions Club held a fishing derby for the kids. Prizes were awarded for different categories and age groups.

Thanks to our donors because without them we couldn't put these clinics on:

Cabelas  
Midlands Financial  
Ameritas –Lincoln  
Farmland Industries  
Bingo Open Golf Fundraiser  
Tan Aire  
SW Omaha Sertoma Club  
Beatrice Area Chamber  
Bob's Tavern  
Lincoln Industries  
CJ's at the Lake

and many, many more. Also thanks to all the volunteers who step up and help us out.

Hope the kids take their rod/reels and go fishing this summer. It is a great family outing.

Have a Safe Summer.  
Betty Clayton
