This is a special clinic for special youth and young adults that need a smaller and more hands on experience at fishing. The Nebraska Walleye Association Kids Fishing Clinics Charity, Inc. puts these clinics on all over the state of Nebraska. This year we are partnering with O.N.E. Coalition. We've made this clinic smaller in size to give special youth and young adults a chance to tryout fishing. No rods or reels are needed. We will provide a short lunch, instructional training (about 1 hour), fishing gear, bait and assistance with fishing. All that you need are your children and a lawn chair. Brothers and sisters are welcome but please sign them up at the same time. We will check the kids in starting at 11:30 AM at Holmes Lake. The Nebraska Walleye Association Kids Fishing Clinics Charity, Inc. will teach casting, knot tying, bait, tackle, fish ID and water safety.

Co-Sponsored by: Cabela's, Midlands Financial, Ameritas, Premier Boating, Tan-Aire, Contractors Siding & Windows, Bob's Tavern and many more.
