

Nebraska Walleye Association

Kids Fishing Clinics Charity, Inc.

June 1st was the Auburn Fishing is Fun! Clinic at the Auburn City Lake. The weather was beautiful with 50 kids and parents in attendance. We started the day off checking everyone in at 10:00am and they all enjoyed hot dogs, chips and beverages after the clinic at 11:30am. Thanks to Farmland Industries for donating the hot dogs. Thank you to the American Legion Post 23 Auburn and Post 2 Tecumseh for furnishing the chips, buns, water and cookies and most of all cooking the hot dogs.

The kids were given a free rod/reel w/tackle after completing stations including casting, knot tying, bait, tackle, fish ID and water safety. The rod/reels w/tackle were compliments of the Nebraska Walleye Association Kids Fishing Clinics Charity, Inc.'s Fishing is Fun! program. They also received a handout bag of goodies from the Nebraska Game and Parks

We had a drawing for a free Half-Price Lifetime Permit that was paid for by the American Legion Post 23 Auburn and Post 2 Tecumseh. Zacchaeus C. Santana was the big winner. He is 7 years old. A big **Thank You** to Post 23 and 2.

The American Legion Posts 23 and 2 held a fishing derby after the clinic. Reeling in the big fish by age groups were: Zach Beaver, 3 thru 6 years; Zoe Santana, 7 thru 10 years and Noah Daniels, 11 to 15 years.

We want to thank the following volunteers for manning the stations and helping:
